THE MESSENGER

To experience and express the love of Christ

Last Sunday was Meet My Friend day, focusing on evangelism, committing in 2021 to "throw out the lifeline" of Jesus Christ to friends, family, and neighbors in our local circles of influence. And, this Sunday is our 2021 Missions Launch Sunday where we will focus upon taking the message of Jesus to the world. Missions and evangelism are two sides of the same coin. We take the transforming love of Jesus locally, and we send the transforming love of Jesus to the uttermost parts of the world. God has chosen us to be his servants to do this. "Lord help us to be faithful to proclaim your message wherever we go."

2021 Mission Launch Sunday

Welcome to our 2021 Missions Launch Service. During this worship service, you will witness a parade of flags showing 10 countries in Africa where our church will pray, give and go over the next five years to reach some of the remaining 55 unreached people groups. You will also hear a challenging message from God's word concerning your role in God's Big story.

Normally we host our mission fair during the Sunday School time designed for you to learn more about some of our mission opportunities; however **today** we will host a special **livestreamed Sunday School** experience designed for **all** middle school, high school, college and adult classes at **10:00 AM**. As part of our 2021 Missions Launch Sunday, Greg Queen from the International Mission Board will be helping us to learn more about missions, unreached people groups, and how our church will work to impact lostness among the remaining 55 unreached people groups in Sub-Saharan Africa.

If you are not able to join us at 10:00 AM, please take time to view it during the week. This special broadcast will be available on SMBC Facebook, YouTube and www.southmain.church.

Let's once again rally to take the Gospel to all people.

Andy Roberson
