RECOUNTING THE SACRIFICE OF SOLDIERS

WE WILL NEVER FORGET

Dr. Toby Frost,
Senior Pastor

Congratulations to our graduates. Our world needs the influence of godly and faithful people like you. Whatever path you take, make sure that you walk with Jesus. If you do so, the Lord will lead you along life's way, and you will lead others toward Him with your life, lips, and attitude. And, on this Memorial Day weekend, special thanks is due to another set of "graduates," namely those who have graduated to heaven by giving their lives in service to our country. God bless you, and God bless America!

Summer Mission Update

With the summer months fast approaching it is normal for our church to send almost 80 people who serve on a mission trip for at least one week. It is also normal that many of those who serve would do so multiple weeks of the summer. Last year our church sent out college summer missionaries as camp counselors, church planting interns, worship leaders at camps, sports camps leaders and more. Others who served did so with some of our South Main mission partners in places like Montana, Atlanta, Ukraine and Greenwood.

This year many of our church planting partners have been forced to postpone our trips to their church, state or country. Although we may not be able to send team members to serve, we are aggressively assisting our mission partners in other ways. Take for example Ukraine:

With the support of some local churches we have collected 15 communion drink trays along with a full set of communion ware. In addition, our SMBC Mission Team purchased bread trays, 1000 refill juice cups and wafers. We will send these items to Ukraine to help the many church planters we know personally and pray for often.

As we ramp up toward regathering, remember, that the gathered church is always called to scatter with the good news of Jesus to that every tribe, every tongue, every nation may worship around His throne. Advancing Anyway!
